

# OLIVER DESIGN GROUP

ARCHITECTURE

## BILL WHEELER

### Project Manager

Bill Wheeler received a masters of Architecture in Urban Design in 1980 from Virginia Tech and a Bachelor of Architectural Technology in 1972 from New York Institute of Technology. Wheeler has worked with Ed Oliver since 1987 and brings an additional 14 years of experience from other firms to the Oliver Design Group team.

As a Project Manager, Wheeler specializes in project management and team leadership. His attention to detail and overall knowledge of the Architectural and construction processes provides Clients with a senior level of expertise.
